Collaboration across the landscape

Expressions of interest

Expressions of interest are being sought from community and industry partners to fund projects that help realise the *Gunduwa Regional Conservation Assoc.* vision.

Our vision is to work collaboratively to achieve conservation initiatives, whilst developing local employment, productivity and enhancing biodiversity and sustainability across the region.

Projects can request up to \$50,000

Closing Date: 10th February 2017

Projects that build linkages between regional people and groups and leverage further investment are encouraged.
