8.0	Environmental Offset Agreement	
	<p>8.1 Out of Session Meeting</p> <p>Our view is not to extract money just to fund Gunduwa, but to focus on having good research funded projects, support traditional owners and any project which aligns with the Gunduwa vision. Discussion with the Proponents was very positive. Proponents supportive of Gunduwa Projects.</p> <p>To fund a PhD Student or research component to benefit the region.</p> <p>8.2 Draft agreement of Biodiversity Offset Deed</p> <p>The Proponents have begun limited operations in May 2019 which include handling/crushing and loading at site and will continue to transport by road and rail to Geraldton until the end of this year due to the increase in commodity price. Mount Gibson Mining (MGM) have noted that their mining operations have ceased.</p> <p>The Proponents have tabled a draft agreement of the existing offset agreement, to be distributed to the Management Committee for feedback and discussions held by the Proponents and the Sub-Committee from Gunduwa RCA.</p> <p>Out of session meeting to determine the details of the draft agreement to be considered by sub-committee and then delivered to committee for comment.</p> <p>Action:</p> <ol style="list-style-type: none"> 1. Meetings over the next 4 Months, the proponents, Luke Bayley and Ashley Bell to represent Gunduwa RCA to consider the biodiversity offset deed and then tabled to be considered by the committee. 	
9.0	Gunduwa Research Proposal	
	<p>9.1 PhD Honours Students</p> <p>Discussion on whether the Committee wishes to support research in our region over the coming years with leading university's e.g. UWA.</p> <p>Discussion: A researcher relevant to the region, must be in touch with the local Shires, Aboriginal Corporation as part of the Gunduwa region to support an on-ground project. Clear focus on future projects. 3 to 4 year program to attract student/s who will do the research that the organisation wants to focus on. Budget on \$30,000 per year with a select range of topics which suit Gunduwa's vision.</p> <p>9.2 Badimia Bandi Bunna Aboriginal Corporation (BBBAC) Meeting</p> <p>Outcomes:</p> <p>Go on country to do on-ground and cultural activities. Prioritise a Ranger Team to work in the region. Require support with planning healthy landscape program for conservation. IPA involved with the Corporation and wanting to work together with revegetation and reintroduction of select species, eg sandalwood, quondong (bush food).</p> <p>Meeting at Charles Darwin Reserve highlighted BBBAC, keen to work with Bush Heritage. Discussion around Training – Conservation Certificate – TAFE, support with education. There is an opportunity to support long term funding.</p>	Committee

	Section	Action By/ Deadline
	<p>BBBAC extending the hand to other Badimia Corporations. Gunduwa RCA could support investment of very real, on-ground outcomes. Conscious of how funds are allocated, up till now we have accepted applications, which have been assessed. Future invitations to specific organisations to deliver specific outcomes which relate to the Gunduwa vision and objectives.</p> <p>Action: To investigate and obtain information for the next meeting</p> <ol style="list-style-type: none"> 1.
